*Fresh gradation coloring for dynamic performance. Processed for softness and non-static. Not necessary to prewash.

Note: The color appearance is always different. It is dyed by a special machine and there are none that are the same.

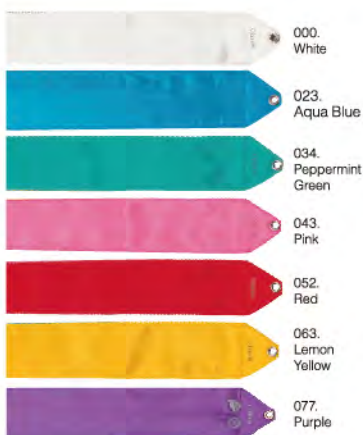

Some has little opening or uneven dyeing, but no problem for using. Since it is made out of rayon, it is made longer than regulations length to lessen concerns about shrinking after washing. If necessary to cut the ribbon, it is recommended to prewash/dry naturally before cutting.
